in a 30 day time period.*

**ALL TESTING WILL BE DONE
AT THE TRAINING CENTER
962 NORRIS ROAD**

The Kern Regional Training Center is excited to offer the POST entry Level Law Enforcement Test Battery (PELLET B). The written exam is the first phase of the examination process for law enforcement trainee candidates and measures reading and writing ability.

THIS IS NOT A JOB OFFER.

Students completing the PELLET B TESTING must apply and meet department specific hiring requirements before being employed by a law enforcement agency.

The PELLET B is multiple-choice, fill-in-the-blank written examination designed to measure reading and writing ability. Applicants are given 2 ½ hours to complete the PELLET B, which contains five sections:

Spelling (applicants select the correct spelling of a word from a list of options)

Vocabulary (applicants select the correct meaning of a word from a list of options)

Clarity (applicants select the correct meaning of a word from a list of options)

Reading Comprehension (applicants read a passage and answer questions about the passage's content)

Cloze (applicants use Contextual Clues to complete a passage that contains blanks/missing words)

Candidates can prepare for the PELLET B by reading the Preparation Guide for the POST Entry-Level Law Enforcement Test Battery and taking the practice test included at the end of the guide.
