The PELLET B is multiple-choice, fill-in-the-blank written examination designed to measure reading and writing ability. Applicants are given 2 ½ hours to complete the PELLET B, which contains five sections:

Spelling (applicants select the correct spelling of a word from a list of options)

Vocabulary (applicants select the correct meaning of a word from a list of options)

Clarity (applicants select the correct meaning of a word from a list of options)
